**BRAZIL BAROQUE TO EXHIBIT AT PRESTIGIOUS INTERNATIONAL TRADE SHOW
AS WORLD MARKET FOR HOME FURNISHINGS OPENS IN LAS VEGAS IN JULY**

(Santa Barbara, CA) Brazil Baroque, a Santa Barbara based importer of distinctive handcrafted furnishings from Brazil, will be an exhibitor at the grand debut of the prestigious World Market Center in Las Vegas [NV] July 25 through 29. The company's owner and principal designer, Rio-born Andrea Fonseca, announced that the rapidly growing firm will occupy booth P8505 in the Center's just completed Pavilion. "It will be our first international trade show," Ms. Fonseca divulged. "The global exposure is coming at the right time for us to expand our cosmopolitan lifestyle niche. We are looking forward to being part of the experience."

The much-anticipated opening of the state-of-the "Market" has been heralded by industry insiders, as it will become the largest permanent west coast home furnishings venue. Upon completion, the Las Vegas site will have 2.5 million square feet of exhibition space. Product categories for this vast design resource center cover all segments of the home furnishings sector, including decorative accessories, upholstery, home theater, office, infant and juvenile, lighting, floral, textiles, area rugs, and giftware.

Poised to serve as an international design showcase for sophisticated trendsetters and new products, those exhibiting at World Market comprise the top manufacturers of furniture from all over the world. The unprecedented July event is expected to draw hundreds of corporate buyers and designers and tens of thousands of visitors.
