

Brazil Baroque’s website is an important sales tool for our reps and dealers. We encourage you to use this valuable resource as much as possible.

NAVIGATION: There are two simple ways to navigate through the products on our website:

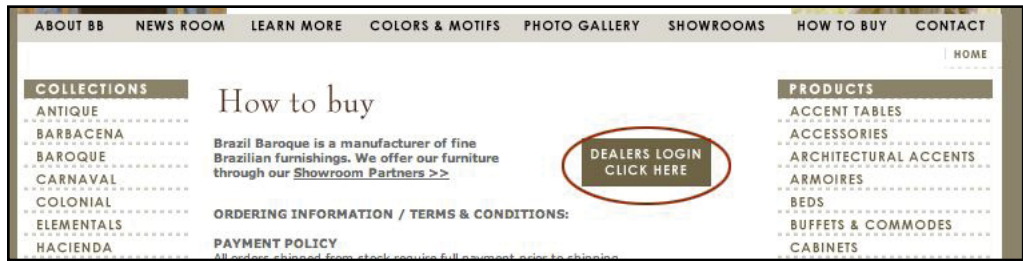

- 1) All products are listed under Categories. Collections are listed on the left side of the home page (ie: Antiques; Barbacena, Baroque, etc.)
- 2) All products are also listed under product categories -- Categories are listed on the right side of the home page (ie: Accents; Accessories, etc.)

IN STOCK PIECES: You can access our stock page by clicking on “Current in stock Items” on the home page, or by clicking on a button “How to Buy” on the top right. Then select “In stock”.

We also provide you a complete and detailed pdf list of the stock items, which is updated daily. To access it, go to “How to Buy” and then again “How to Buy”.

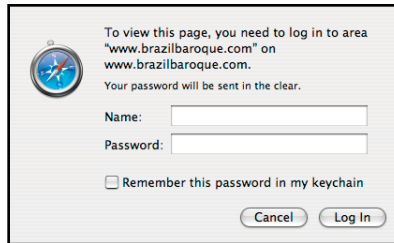

Click on the button “Dealers login click here”.

A window will pop up asking for name and password. Enter the following information:

Name: brazilbaroque3

Password: bbdealer

The next window will allow you to download the stock list as well as the complete price lists either by Category or Collection.
